## NEWSLETTER 9/21/06

Steady Photography will once again produce a slideshow for this years banquet. It will include action shots of each team from various games during the season. While Steady Photography would like to be at every game, it is humanly impossible. So, this year, we will be accepting your best photos to add to the show. If you would like to submit photos for consideration, please use the following guidelines.

1. All pictures must be burned to a cd-rom in .jpg format.
2. Please don't submit more than 25 photos
3. All photos must be in focus
4. Player's numbers must be recognizable in each photo.
5. Practice shots and candid shots from before and after the game are great....since we rarely take pictures at practice.

Unfortunately, we will not be able to use all of the submitted photos, but we will select the best from each team and include them in this year's presentation. All photos must be submitted to Tracey Gagnon by Sunday November 19<sup>th</sup>.

CD-Roms that are submitted will not be returned unless you include a SASE.

Any questions, e-mail [john@steadyphotography.com](mailto:john@steadyphotography.com)

We will be having an **OPEN BOARD MEETING** on **WEDNESDAY SEPTEMBER 27<sup>TH</sup> @ 7:30PM** at the **COMMUNITY HOUSE**.

We have an official web-site this year and we will need to have the attached permission form signed before we can continue to post your Childs picture on their teams web page or anywhere on the web site. Please fill out immediately and return it to your team mom. The High School is hosting their 1<sup>st</sup> home game this Friday night @ 7:00 please come and show your support.

**GOOD LUCK THIS WEEKEND**

**GO HORNETS!!!**
